**Have you used the path shown on the maps below as a short cut?
for walking a dog?
for cycling? or
for any other purpose?
If so please fill in the attached form however recently or long ago it was.**

Without people speaking up it is in danger of being lost.

We are a group of interested people whose aim is to make sure that all our paths get properly recorded. Our aims are supported by the organisations shown on the right.

We have put in a claim to our highway authority which is Hertfordshire County Council. We need some more people who have used this path either fairly recently or anytime in the past to tell County Hall that they have done so.

To make it easier, we have prepared a form which is attached and a stamped envelope. We do hope if you have used this path you will do this, and if you haven't used the path then perhaps you will pass it to someone who has.

Thank you.
